3515 SW 39th BLV Gainesville, FL 32608 | m.shi@ufl.edu | (904) 525-6774

EDUCATION

Bachelor of Arts, Philosophy

Anticipated in May 2023

University of Florida, Gainesville, FL

Pre-Medicine Track

GPA: 3.94/4.00

LEADERSHIP

First-Year Leadership Program

April. 2020 - Present

- Serving as one of the four current co-directors who helps first-year college students cultivate creativity, community, and leadership through networking, team building, and service
- Planned general body meetings, mentorship opportunities, and workshops for the calendar year
- Led committees of first-years, training them in management, event planning, decision making, and professional communication
- Raised over \$300 with our Zoom Trivia Philanthropy Event for Breast Cancer Awareness
- Assisted students in creating menstrual kits in our service collaboration with Days for Girls

Small Group Leader Coordinator

July 2020 – Jan 2021

- Planned events for youth at the Chinese Christian Church of Jacksonville such as the “Summer Online Retreat” and “Online Winter Camp” to keep youth connected during COVID-19
 - Directed multiple meetings instructing all small group leaders about online retreat logistics
 - Personally led a small group of 5-7 students in biblical discussion about the multiple sermons given by the speaker
-

RESEARCH EXPERIENCE

PKT and Telehealth, Dr. Borum, Dept. of Food Science and Human Nutrition

Jan. 2019 – May 2021

- Observed and scheduled clinical visits for pediatrics being treated through Precision Ketogenic Therapy (PKT) via Telehealth communications on Zoom
 - Conducted independent research on the implications of continuing PKT through Telehealth even post COVID-19
 - Created a nutrition facts database by visiting various grocery stores in the local area for desired products and documenting their nutrition labels and other vital information
-

COMMUNITY SERVICE

Global Medical Missions Alliance

Sep. 2019 - Present

- Volunteered at the Ronald McDonald House to help clean rooms and interact with patients
 - Served food to the homeless in the “Serving the Undeserved” service event
 - Designed cards with thoughtful messages for healthcare workers during COVID-19
-

CLINICAL EXPERIENCE

Shadowing, Dr. Kuo Chen, Wolfson Children’s Hospital

Feb. 2020 - Present

- Observed Dr. Kuo Chen at Wolfson Children’s Hospital, learning how rounds work and the problem solving that went into the daily life of hospital medical care
 - Attended and viewed multiple “Virtual Shadowing Sessions” during quarantine
-
